 c) For bookings of a full week made within 10 days of arrival, a discount of 10% is given.
 d) For short-break bookings made within 10 days of arrival, an additional night is offered free, subject to availability.
 e) Cottages are available at significantly reduced rates for lets of four weeks and longer during November/December and January/February.

Booking Conditions

1. Cottage bookings are from Saturday to Saturday, except at Christmas and New Year, and for short breaks of 3, 4 or 5 night stays outside of school holidays.
2. The person in whose name a reservation is made must be aged 18 years or over. Parties of single people under 25 years old cannot be accepted.
3. To make a reservation, we would ask guests to check availability by telephone or e-mail, and to then send a completed booking form, accompanied by a deposit for 25% of the total holiday cost (but maximum of £100) within seven days.
4. For cottage bookings, the balance of the total cost should be remitted four weeks prior to arrival.
5. In the event of cancellation after the deposit has been paid, should we re-let your accommodation, your deposit will be refunded minus an administration charge of £40. In the event of cancellation after the final balance has been paid, the total amount will be refunded minus an administration charge of £80. This again is providing we are able to re-let your accommodation. **If we are unable to re-let your accommodation, you will be liable for the total amount.** We therefore strongly advise guests to take out cancellation insurance at the time of booking.
6. Cheques should be made payable to: **Mrs. N.R. Macdonald.** We do not accept credit or debit card payments.
7. In the unlikely event that any property should become unavailable due to circumstances beyond our control, we reserve the right to cancel a booking. In such a case, the limit of our liability will be the full refund of all monies paid.

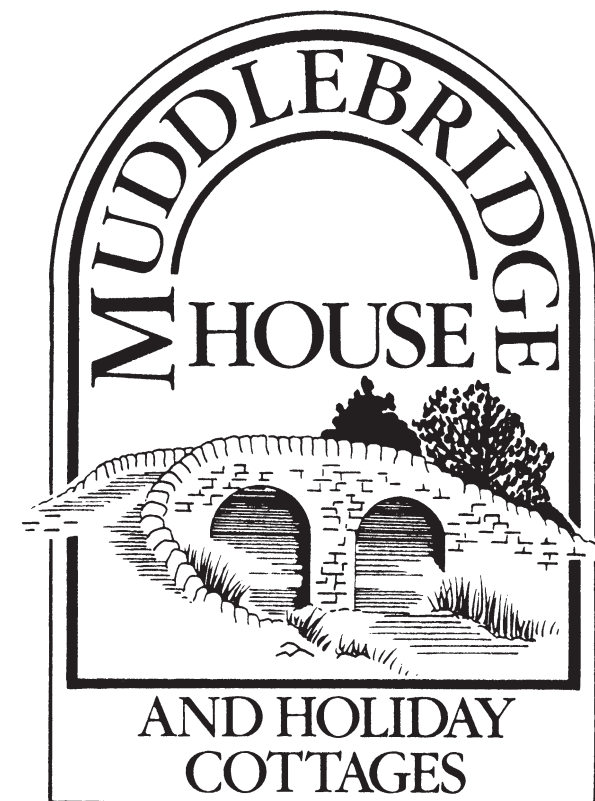

General Conditions of Tenancy

1. Cottages and facilities are available from 3.00 pm on day of arrival (please no earlier), and should be vacated by 10.00 am on day of departure. If guests expect to arrive later than 6.00 pm, please notify us in advance.
2. The number of guests staying in each cottage must not exceed the designated number of bed spaces, except where, by prior arrangement, an additional Z-bed or mattress is provided with full linen, for a charge of: £20 for one night, £30 for two, or £50 for a week.
3. Cots (full size, with safety mattress), high chairs and stair-gates are available by prior booking. If a cot is required within the designated number of bed spaces, there is no charge; if it exceeds the bed spaces, there is a weekly charge of £20. Cot linen is **not** provided. In some cottages, space for a cot is limited; please check before booking.
4. Double beds in Thatchers, Millers, Potters and Weavers are Kingsize (5' wide), also 3" longer than standard-sized double beds in the other cottages. The single beds in the twin-bedded room of Millers cannot be pushed together due to the shape of the room, whereas in other twin rooms, they can be.
5. Bed linen (for polyester-filled duvets and pillows) is included in the rental price. If guests prefer to bring their own sheets for use with the blankets available in each cottage, please inform us at time of booking. Guests are expected to provide their own towels (for bathroom and pool), and any table linen required, but towels are available to hire for overseas guests and those arriving by cycle or public transport (£1 per towel).
6. By prior arrangement, one well-behaved dog is allowed per cottage (but not in the main house), for which a weekly charge of £15 is made. Dogs are accepted on the understanding that they are kept under control on a lead in the grounds, are not left unsupervised in the

cottage or allowed onto chairs or beds. Dogs **must** be toileted outside the grounds.

7. Charges for electricity and gas used in the cottages, are included in the rental price. The washing machines and dryer in the Guests' Laundry Room are coin-operated.
8. The games rooms are open between 9.30 am and 9.00 pm daily. Pool and football tables are 20p per game.
9. **The swimming pool building is not supervised.** All children under 15 years must therefore be supervised by a responsible adult (over 18) from their family/party at all times in the pool and building. **For safety reasons, we regret that adult guests are not permitted to swim alone in the pool.**
10. The swimming pool, heated to 81°F, and sauna are open from 9.30 am - 8.00 pm daily (except Saturday's, 2.00 - 8.00 pm) in main season, but close about dusk in off-season periods. The sauna is operated by a £1 coin, which provides a 30-45 minute session.
11. Non-residents are welcome to visit guests staying in the cottages. For security and insurance purposes, visitor names and vehicle details **must** be notified in advance, and daily charges for non-residents' use of facilities (£3 per swim) paid prior to use.
12. Guests are expected to look after the furnishings, fixtures and equipment in their cottage during the period of occupancy, and to leave it in a clean and tidy condition on departure. If any furniture is moved during occupancy, it must be returned to its original location prior to departure. Any damage must be notified immediately, and breakage or loss of crockery, glassware, etc. paid for.
13. The proprietors are not responsible for, and cannot accept any liability for, any injury sustained in the cottages, main house, swimming pool or grounds. Nor can they accept liability for any damage or loss to clothing, personal items or vehicles belonging to guests.
